❖ **Seller warrants the following:**

Puppy is in sound health at time of sale, and should be inspected by a licensed veterinarian within 72 hours of arrival. Not having puppy examined within this time period voids guarantee. Seller guarantees the puppy to be free of Parvo and/or Distemper for a period of 5 days. If the puppy is found to have either/or, the buyer is to contact the seller within 24 hours of this finding. Not doing so will null/void the guarantee. Seller has the option of asking for the return of the puppy, and if requested, buyer must return puppy at his/her expense within 48 hours. Seller will replace said puppy upon receiving signed vet statement of such findings, and after return of all original paperwork, signed back over to seller. Seller will replace said puppy when one of equal value becomes available. **ALL SHIPPING AND VET BILLS ARE THE RESPONSIBILITY OF THE BUYER!**

This puppy is also guaranteed for one year against congenital defect that will affect the quality of life of the puppy as a pet. If a defect is found within one year of contract date, buyer must notify seller as soon as possible and provide seller with signed vet statement, return animal within 7 days, and sign over all original paperwork to seller. If buyer chooses to keep the dog at his/her expense, buyer takes all responsibility, in the care of the dog. Seller can choose to give buyer partial refund or discount on another puppy, but is not obligated to do so, if buyer chooses to keep said puppy. If buyer returns puppy with all said documents, he/she will receive replacement puppy of equal value when one becomes available. **AGAIN, VET AND SHIPPING ARE THE RESPONSIBILITY OF THE BUYER!**

❖ **Seller does NOT warrant against the following:**

Hypoglycemia- under no condition is the seller responsible for loss or death due to hypoglycemia.

Molera- It is acceptable for a Chihuahua to have Molera, and should not be considered a flaw.

Luxating Patellas- If the buyer has bought the puppy for breeding/show, and finds puppy to have severe laxation (grades 3-4) within 12 months of purchase, buyer will offer replacement upon return of puppy and all documents signed over to seller. I do not offer a guarantee on Patella's for puppies sold as pets only. **BUYER PAYS ALL SHIPPING & VET EXPENSES.**

Coccidia/Giardia- Many puppies are prone to outbreak of either Coccidia and/or Giardia under stressful circumstances. The symptoms can arise in a 12 hour period, and cannot always be prevented by the seller, because there are no signs until the puppy is stressed, and their immune system drops. All precautions have been made, but buyer should take puppy to the vet immediately if puppy develops unusual stool, begins vomiting or has loss of appetite.

Collapsing Trachea- This is a common thing in Chihuahuas when they get excited, and has not been found to impose a health risk, but it can somewhat be annoying to some people.

There is no guarantee on SIZE, COLOR, COAT, SOFT EARS, TEETH, OR BREED ABILITY OF THIS PUPPY.

❖ **Buyer warrants:**

Buyer warrants that he/she will not knowingly offer this puppy or any of its offspring to brokers, pet shops, or puppy mills. If buyer is found to be selling the dog, or puppies in such a way, buyer will incur a \$1,000 penalty for each puppy found to be sold in this way.

If the buyer ever needs to find the puppy a new home, buyer will give seller first option to buy the puppy back. Under no circumstances will this puppy/dog ever be surrendered to a shelter or put to sleep without the consent of the seller. There are no other guarantees/warranties given, expressed or written, other than those stated in the above contract. Any changes must be made on paper, and signed by both parties.
